TO :

DATE: 7 May 1965

FROM : Chief, DIAAP-1Pls

SUBJECT: Negation List - Volga Military District

REFERENCE: (a) NPIC Project # S-1483-64 USSR - MILOB - Volga Military District changed to NPIC Project # 11906-64, dated 19 August 1964.

(b) DIA Project Assignment Form # 725-0340-001 PI Support for Ground Order of Battle, dated 24 August 1964.

1. In response to the above referenses, Production Center, 1Pls (DIA) was requested to search the area of the Volga Military District to identify and prepare reports on Soviet Ground Forces and logistical installations. Fifty-seven (57) reports will be published containing information on one or more installations.

2. Initial scan by PI's showed 19 suspect areas that were negated through detailed read-out of available photography.

3. Twenty-five (25) targets as listed in the attachment have been negated. Targets listed in the DIA Bombing Encyclopedia, TDI, Blip Sheets, and/or annotated on the USATC series 200 charts were studied.

4. Total negations for the Volga Military District: 44.
